

ENGLISH FOR TEACHERS (A2, B1) Online Learning Course

NUMBER OF HOURS:

5-day Full Time Course (30h) / 7-day Full Time Course (40h)

MODALITY of LEARNING: Online Learning.

LANGUAGE of COMMUNICATION: English.

(*) It is necessary to have an A2 or low B1 level of English to take full advantage of participation in this course.

WHO IS THIS COURSE FOR?

This course is for teachers who have an A2 or low B1 level of English and want to develop their language skills with a focus on pronunciation, vocabulary, and fluency in oral communication.

COURSE DESCRIPTION:

The communicative nature of this course, with plenty of face-to-face interaction, will allow participants to quickly advance in the use of English and develop confidence in everyday real-life and classroom situations.

As a virtual learning programme, this course is an effective combination of the following elements:

- **Online Live lessons**, where **50% (5 Full Time programmes) or 60% (7 Full Time programmes)** is devoted to interaction with your tutor and course colleagues, by video conferencing, webinars, and live-streaming workshops on a dedicated virtual platform.
- **Autonomous learning:** Flexible but necessary time to successfully complete the course.

OBJECTIVES:

- To help teachers with an A2 level towards a B1 level of English to develop their oral fluency, vocabulary, and pronunciation, and language skills (listening, speaking, reading and writing), and improve their use of English as a means of communication.
- To help teachers to incorporate their communicative skills in English into class and in everyday situations.
- To promote a European and international dimension in education by raising participants' awareness and understanding of other cultures and countries.

English for Teachers (A2, B1)

Online Live lessons: You will take part in online live face-to-face workshops, webinars, and lessons, while interacting with your tutor and colleagues. The allocation of time will depend on the modality of the programme you choose: **50%** of the time in the 5-day Full Time course or **60%** of the time in the 7-day Full Time course.

Optional Online Live lessons (*): They are live lessons guided by the tutor but that allow flexibility in the attendance of the participants during the course. They are mostly focused on aspects of English language (vocabulary, structure and use of English) which, although present in all modules, are addressed in a more direct way in these lessons. These lessons are important components of the course and the participant is expected to attend them. The content of these optional sessions will be available through our learning platform, after the sessions have been delivered, in the case of the participant being unable to attend at the scheduled time.

My own time ():** You will need to dedicate appropriate time to Autonomous Learning to revise and finish tasks. The allocation of these hours is not fixed, and they may be organised at the convenience of the participant. This time is necessary to successfully complete the course.
